14<sup>th</sup> June 2017

Dear Parents,

This half-term the children will be doing an exciting cross-curricular topic called 'Canal Explorers' - see curriculum overview for more information. This is also a busy half-term with 'extras', such as Sports Day, 'Health week', Summer Fair etc. Also, we will be visiting Stanedge Tunnel Visitors Centre to enhance our learning of The Huddersfield Canal - we are looking forward to this and of course crossing fingers for the weather!

PE will be based on Sports Day activities and athletics and will, as usual, be on Wednesdays and Thursdays - please could you make sure that your child always has their kit in school - from the start of the half term, thanks. For outdoor work the children definitely need pumps or trainers.

Also please could your child have a hat and named water bottle at school. It's much more hygienic for them to have their own bottle and for them to get onto the habit of refreshing their own water. We'll send the bottles home regularly for cleaning.

The children are really enjoying displaying their special talents practiced for homework this half-term; it's great for the children's self-esteem and confidence. Thanks for all your support with this.

If you have any other problems or questions please don't hesitate to come and ask us.

Thank you,  
Mrs Evans and Mrs Beckett
