12/01/18

Dear Parents,

Happy New Year!

Thank you for your support last term - it was certainly a busy one. This term revision begins in earnest for Year 6 children. A meeting, for parents, will take place to discuss the SATs assessments (a letter will follow shortly).

Please find attached an overview of the spring curriculum and below some timetable notes.

- **Reading books.** In Sycamore class we have an extensive selection of books to choose from but children are also able to bring books from home. Please could you encourage your child to read regularly at home and to remember to record their reading. Reading books need to be in school every day for quiet reading sessions. Thanks for your support with this.
- **Homework** for this term will be: spellings (given Tuesday, tested following Monday); times tables/ number facts (given Friday tested following Friday); and a topic related or numeracy/literacy homework (date to be returned recorded by the children in their homework diaries). Please feel free to add comments or questions in the diary. Any help given to your child with their homework is really beneficial to them and much appreciated by school. Year 6 children should be regularly revising spellings and will bring home practice SAT papers to show you, so you can see how they are progressing in the run up to SATs.
- **PE** is on Mondays and Wednesdays - usual rules apply: named kit, no earrings, and long hair to be tied back. Please ensure all kit, along with uniform, is clearly named.
- **Swimming** (Year 5 only) is on Thursday afternoons.
- **Outdoor curriculum** - our 'cabin and outdoor time' is on Fridays. Please could you ensure your child has suitable outdoor clothing and wellies as we go out in all weathers!

If you have any concerns or would just like to see how your child is working please feel free to call in to see me any day, after school.

Thank you for your support.

Mrs Oversby
