05/05/17

Dear Parents,

Welcome back after our Easter break. As usual the summer term will be a busy one. Our topic 'Inventions Through the Ages' has already inspired the children to research famous inventors and to find out how their creations have impacted on modern day life.

Year 6 have been working hard preparing for their SATS tests which will take place in the week beginning Monday 8th May.

Class photos will be taken on Wednesday 17th May.

Year 5 children will visit the Media Museum on Tuesday 23rd May.

Year 6 children will visit Cliffe House for a residential trip from Wednesday 24th - Friday 26th May.

- **Reading books and homework diaries** - please encourage children to bring these to school each as this helps with class organization and to support children's progress.
- **PE** is on Mondays and Thursdays - During the summer term P.E. will take place outdoors so children need outdoor kit and trainers/pumps.
- **Swimming** (Year 5 only) is on Thursday afternoons.

If you have any concerns or would just like to see how your child is working please feel free to call in to see me any day, after school.

Thank you for your support.

Mrs Oversby
