

Computing Action Plan 2016/17

Key Objective: to raise Standards of Achievement and Pupil Progress in Computing; support and enrich teaching and learning; develop and extend cross-curricular opportunities through the use of Computing across all subject areas; to develop a school Twitter account

Task	Success Criteria	Lead Person	Dates	Cost and source	Monitoring	Evaluation
1). Purchase ipads for all teaching staff in school.	All teachers to have own ipad - not to be used by pupils. Will have own AppleID & PW's set up. Will be used for taking photos, videos; using to type docs in Word rather than laptops; apps & resources for using to teach whole class/share & present work linked to Apple TV. Also used for accessing & inputting data into Mark books on Integris. All connected to printer/copier.	LC/ CW	Autumn 1 ICT coordinators to have Ipads. Others to follow due to budget	£???? ICT budget & other subject budgets (i.e MFL & PSHCE; Art etc?)	LC/CW and head tacher	
2). Establish & maintain/update new twitter.	Upload photos, messages and links to the website via social media. Have children who are IT champions to update class pages with information for parents/share achievements. Twitter to be only accessible on staff IPADs and under	LC/ CW	Autumn 1	Free on teacher IPADs	LC/CW and Head teacher	

	adult supervision. To develop a twitter policy, inform parents via a letter and lead a staff meeting on use of twitter.					
3). To create new school email addresses for LC and CW	LC and CW to be able to communicate via email.	LC and CW	Autumn term 2016	Hopefully free!		
4). To get new projectors and faceplates in classrooms.	Projector in Willow and Cherry. Faceplate in Hazel	LC / CW	Summer / Autumn 2016	Quote £1206.15	LC / CW and head teacher.	
5). Develop Ipad administration - work with ICT4C technician to improve control of all Ipads via one user in order to have full control of purchases/updates/restrictions etc.	All ipads in trolley will be controlled centrally via MERAKI and ensure volume purchasing agreement is successful. All clearly labelled for ease of repeated access when have work saved on them. Co-ordinator will be able to purchase and install Apps more easily and effectively. No-one other than Co-ordinator and technician will know Apple ID and password. Communication with technicians when needing to access new APPS.	LC /CW	Autumn onwards		LC/ CW and Head teacher.	
6). Continue new Computing Portfolio and tracking.	Portfolio will contain evidence of coverage of Computing Curriculum	LC / CW	Summer 2016 onwards	-	LC /CW Head teacher.	

	<p>throughout school - photos, work, planning, resources etc....Will evidence standards of Computing in our school. Will be updated regularly throughout the academic year. All staff to be tracking their children for computing using foundation subject tracking sheets. To create a LTP to show the scheme of work for computing coverage across school.</p>
