

Computing Action Plan 2017/18

Key Objective: to raise Standards of Achievement and Pupil Progress in Computing; support and enrich teaching and learning; develop and extend cross-curricular opportunities through the use of Computing across all subject areas; to develop a school Twitter account

Task	Success Criteria	Lead Person	Dates	Cost and source	Monitoring	Evaluation
1). Purchase new equipment (laptop/ipad) for staff in school.	All teachers to have own ipad - not to be used by pupils. Will have own AppleID & PW's set up. Will be used for taking photos, videos; using to type docs in Word rather than laptops; apps & resources for using to teach whole class/share & present work linked to Apple TV. Also used for accessing & inputting data into Mark books on Integris. All connected to printer/copier. Label all school assets.	LC/ CW	Autumn term	£???? ICT budget & other subject budgets (i.e MFL & PSHCE; Art etc?)	LC/CW and head tacher	
2). Maintain/update twitter.	Upload photos, messages and links to the website via social media. Have children who are IT champions to update class pages with information for parents/share achievements. Twitter to be only accessible	LC/ CW	Ongoing	Free on teacher IPADs	LC/CW and Head teacher	

	on staff IPADS and under adult supervision. To develop a twitter policy, inform parents via a letter and lead a staff meeting on use of twitter.					
3) To establish a computing club	LC/CW to be involved in running a computing club & invest in a scheme & equipment	LC/CW				
4). To invest in a new sever.	To work with IT technicians for find best suit for school. Clear out and back up current server.	LC / CW	Spring	Quote £3000 - £5000	LC / CW and head teacher.	
5). Develop Ipad administration - work with technician to improve control of all Ipad via one user in order to have full control of purchases/updates/restrictions etc.	All ipads in trolley will be controlled centrally via MERAKI and ensure volume purchasing agreement is successful. All clearly labelled for ease of repeated access when have work saved on them. Co-ordinator will be able to purchase and install Apps more easily and effectively. No-one other than Co-ordinator and technician will know Apple ID and password. Communication with technicians when needing to access new APPS.	LC /CW	Autumn onwards		LC/ CW and Head teacher.	

<p>6). Continue new Computing Portfolio and tracking.</p>	<p>Portfolio will contain evidence of coverage of Computing Curriculum throughout school - photos, work, planning, resources etc....Will evidence standards of Computing in our school. Will be updated regularly throughout the academic year. All staff to be tracking their children for computing using foundation subject tracking sheets. To create a LTP to show the scheme of work for computing coverage across school.</p>	<p>LC / CW</p>	<p>Autumn onwards.</p>	<p>-</p>	<p>LC /CW Head teacher.</p>
