

Slaithwaite J & I School

The Government has given every Primary School funding to develop Physical education and competitive sport.

In the academic year 2014-2015 Slaithwaite CE Junior and Infants School received £8393.00

In our school we are using this funding by working with the Pennine Sports Partnership to:

- Increase the amount of competition sport in which our children participate.
- Develop additional clubs and activities for children, outside the curriculum.
- Encourage our children to improve their leadership skills through sport.
- Give extra support in PE to our most talented children and include those with special needs in sport.

To offer broader sporting opportunities

In addition, we are bringing PE and sports specialist teachers and coaches into work alongside class teachers in lessons for 1 day each week. So, our children will gain new skills and experiences and teachers will learn new techniques and knowledge to aid them in teaching sport and PE.

The long term aim is higher quality lessons and improved learning for all children which will increase pupil self-esteem and well-being
