

Christmas Fayre 2017

Newsletter Issue 1

We're stepping things up a notch this year as not only are we on a huge fundraising mission to raise money for the new Multi Use Games Area (MUGA) we're also losing many of our key PTA members this year as their children move up to high school. We need your help to keep the Two Gates Supporters group going.

Here's a quick update on everything you need to know and what you can do to help us.

Date of the Christmas Fayre

Friday 8th December: 2.30pm to 4.00pm

Non-Uniform Days

To collect items for the tombola we hold non-uniform days in the run up to the fayre and ask children to bring in an item for the tombola.

The non-uniform days this year are:

Friday 24th November:

Please bring an item for our chocolate stall.

Friday 1st December:

Please bring an item for our bottle stall.

Please can we politely request that all donated items are unused and in-date. Thank you very much.

Wrapped gifts are also very welcome for the tombola and can be donated at

A TEAM OF SANTA'S LITTLE ELVES REQUIRED

Our thoughts at the moment are to turn a corner of the cabin into the grotto with some white sheets and plenty of tinsel. This is something that can easily be put up and taken down as well as being reusable for many years to come.

Can you come in on the Friday morning (8th December) to help us with this?

Buns and Cakes

On the day of the fayre please can you bring in donations of cakes and buns for us to sell.
Thank you.

Bottles of Wine

We'd love to run the water or wine stall again. It seemed to be very popular. Guess what we're going to ask you for now?**FULL ONES PLEASE!!**
(WINE! We've got the water covered!)

Raffle

We always need lots of raffle prizes for the Christmas Fayre so if you work for a company or are involved with a local organisation that could donate a prize, however small, then please do ask on our behalf. Thank you.
