

# What do you think?

Pupils views of the school – Results June 2018

A very BIG THANKYOU to all children-your views help us a lot!

## Are you happy at school?

It is really good to know that **all** the children in our school are happy and enjoy coming to school.

Comments include: “I always have a laugh”, “the teachers are kind”, “we have a trim trail and lots of outdoor things”, “there is always someone there to help me”, “our teachers challenge us and we have amazing clubs”

## What are you learning?

Lots of comments about our topics, children listed a vast range of topics and maths areas. Children commented how they felt they had improved” this year I have strengthened in my maths and improved my spellings”, “I have learnt lots about fractions-which I have found difficult before”

## Do you feel safe?

100% of our children said they feel safe in school-fantastic to hear!!

Children commented on policies and procedures to keep us safe, such as: Fire practice, doors being locked, Lockdown procedures, staff badges, lots of staff to talk to, lots of things to make us feel safe in our school.

## Is our school a good school?

100% of children said they believe our school to be a good school. Comments like:” you learn a lot”, “we have lots of ace grounds to play in “, and “all the teachers are really kind”, “when you go home every day you feel like you have learnt something”.

## Do you have any suggestions?

A lot of children are happy with the school as it is and especially our grounds and outdoor areas. Some children asked for more time outside, however this is not always possible as we do have more than most schools already. Mrs Bradley will talk to staff though and ensure that all classes continue to use their outdoor afternoon each week.

Some children suggested new topics and Mrs Bradley has talked to the teachers about curriculum planning. New topics will include: KS1- Knights and Castles, Dragons, The Rainforest and animals, Dinosaurs and Space. KS2- more experiments including chemistry and Japan.

We will be getting more play equipment and the outdoor sheds will be replaced as soon as possible-probably over the summer holidays.
