Dear Parent/Carer

On **Monday 18th June**, pupils in Oak Class, Cherry Class and Beech Class will be visiting **The Rainbow Factory in Leeds.**

Please can you bring your child to school from 8.30am so we can set off promptly at 8.50.

We will leave around **8.50am** and be back at school around **3.30pm**. The children need to come in their uniform and wear sensible shoes. If you are providing a packed lunch for your child please can you ensure they bring it with them in a carrier bag. If school is providing your child's packed lunch we will hand them out before we set off. Please can all children bring an extra drink so they can have drinks throughout the day (no fizzy drinks or glass bottles please). When at the Rainbow factory quite a few of the activities are inside but there will also be opportunities to be outside so if it is a hot day please can you apply sun cream before they come to school. Please don't send it with them. The children do not need to take any money with them.

Thank you for your support

Paula Cherrington, Charlotte Wadsworth, Jill Evans and Faye Beckett
