Dear Parents,

Welcome back, I hope you had an enjoyable half term holiday. Our cross-curricular topic this half term is 'Lets Play!' - Please see attached notes for curriculum breakdown.

- Monday mornings - To encourage independence please allow your child to come into the classroom by themselves. I understand that some days you will need to come into class for various reasons however we are trying to encourage the children to do things independently in school and would really value your support with this.  
We are also continuing snack this half term, please could you continue to support this by sending your child with a small contribution (50p max) every Monday morning.
- Reading books will be checked every Monday and Thursday and changed on these days, if appropriate. Please make sure you sign your child's home reading diary when the book has been read at home so we can change it in school. We are concentrating on comprehension and understanding this half term, to support this ask your child questions about the book after reading and see if they can re tell the story or change the ending. Comprehension sheets or story maps will be given to some children to complete at home if they wish too. Thank you for your continued support with home reading.
- PE is on Tuesdays and Thursdays. Kit for PE is the usual shorts, T shirt and pumps - all named.
- Outdoor curriculum - We will continue to learn outdoors this half term so PLEASE send your child with appropriate outer wear and footwear to change into if necessary (wellingtons and waterproof coat). Wellies can be left at school in our class wellie store. Please make sure these are named as some children have the same.

If you need to see me please don't hesitate to ask and we can arrange an after school meeting.

Thanks,

Miss Wadsworth
