

Oak Class Long Term Topic Plan 2016 - 2017

Although we have enhanced provision we also take the lead from the children and develop teaching and learning around their ideas

Autumn 1

We will be finding out about each other and settling into our new setting. Later we will be investigating transport and harvest

Autumn 2

We will be exploring outside and finding out about nocturnal animals and imaginary creatures and celebrations

Spring 1

We will be exploring the polar regions, the titanic, Chinese New Year and traditional tales

Spring 2

We will be investigating our woodland and finding out about rain forests and going on jungle safaris and learning about Easter

Summer 1

We will be finding out about mini beasts and how to grow plants.

Summer 2

We will be investigating the world around us
