Update on school situation-Monday 8th June 2020

Dear Parent/Carer,

Firstly thank you for your continued support.

The whole staff and some members of the Governing Body have met again today to review the schools position and plan ahead for this half term (as far as we are able).

At present we have 3 classrooms and the cabin in operation for key worker and vulnerable children on a daily basis. Staffing arrangements support our Safeguarding and Behaviour policies along with appropriate teaching and learning and wellbeing activities for all pupils.

From Monday 15th June the school will open further for Y6 pupils on a part time basis. Y6 Parents and Carers will be contacted to arrange this and to ensure it is as safe as possible for these older children to return to school. The Y6 pupils who are already attending school (key worker children) will remain in their key worker "bubble" in school.

I can assure you that we are working hard and doing our utmost to consider how/when we can extend places for other pupils to attend.

The children's end of year reports and letters about classes and teachers for the new academic year are available to collect from today. Please come to the office window for collection.

Yours sincerely,

Elaine Bradley
