### School Update Transition visits for all children

We have arranged class visits for all pupils which will take place before the end of this term. These will be so that all children can meet their teacher, have some time in school and see other children and staff before the school breaks for summer. As yet we do not have information about September but will update you on plans as soon as we have them for our school.

We would like all children to come in for a short period, this will be on the school field or on the playground. **Each session will be from 9.30-11.00 am.** Children should be in school uniform, they should not bring anything with them (such as a bag, bottle etc.). All children should be dropped at the bottom gate, parents cannot come onto the site, and staff will meet children at the gate. The children must be collected from this gate at 11.00. Children already in school will join their class for the session, this will be socially distanced and well planned by school staff.

If the weather is not suitable and we have to cancel we will inform parents by text. We will then try to rearrange for the last week of term.
