9<sup>th</sup> June 2020

Dear Parent/Carer,

From the 15<sup>th</sup> June we are extending school opening for Y6 pupils. This will be until the end of the summer term.

The children will attend on a Part-time basis, a group on Monday and Tuesday and a second group on Thursday and Friday. This will allow us to do a thorough clean on Wednesday of each week. The children will be based in the Hall and will be educated by the same members of staff each week (unless there is illness).

We have done our utmost to maintain and plan for social distancing but as you will appreciate we cannot guarantee that this will happen 100% of the time when more children and staff are on the school site.

They will eat their lunch at their desk/work station and use the toilet supervised by school staff. They should not bring anything to school, such as: a reading book, paper, pens, P.E kit etc. They will need a named water bottle (filled from home) and come in uniform. All children will need a packed lunch each day.

The children should be enter school at the **bottom gate each day at 9.10 am and be collected from here at 3.10p.m on their allocated days.**

Staff will meet children at the gate and direct/escort your child into school via the children's entrance. Parents are not allowed on school premises and need to maintain social distancing at the entrances at all times. Staff can be contacted by telephone during school hours.

All children whilst in school will continue to follow the learning for their class as posted on Twitter daily. They will also experience learning around social distancing, personal hygiene and mental and healthy wellbeing.

Kind Regards  
Elaine Bradley
