

**We're here to help and we're open**

**South West  
Yorkshire Partnership**  
NHS Foundation Trust

These are difficult times but our **Improving  
Access to Psychological Therapies service is  
still open**, if you need help get in touch.

**Our appointments are now available over the  
phone or online** and are a safe and effective way to  
access therapies, delivered by qualified NHS professionals.

If you live in Kirklees and are over the age of 17 years and 6 months,  
the IAPT service can help.
