

## Slaithwaite CE J & I School Risk assessment

Completed By Mrs E. Bradley. Approved by Chair of Governors and Health and Safety Governor.

Whilst all measures have been considered the Leadership Team at our school cannot guarantee 100% the safety and wellbeing of all our children and staff whilst attending and working on school premises

Update and circulated to staff 25<sup>th</sup> February 2021

***In light of the new strain of Covid 19 it is imperative that all staff and pupils are extra vigilant and adhere to all aspects of this Risk assessment at all times.***

**Important note- pupils, staff and families returning from countries identified as quarantine areas are required to notify school on their return and self-isolate for the required time (message sent to all school community 1<sup>st</sup> September 2020)**

From 25<sup>th</sup> January school staff are encouraged to do a home Covid test every 3-4 days. All staff should read the Privacy notice from the Dfe and follow the guidance on how to administer the test provided by the Dfe. The school has 2 nominated Covid test coordinators who will ensure that records are kept re distribution of the tests and all staff must report their results to the coordinator and the Dfe. The coordinators are EB/KH-test results must be sent to the office e-mail address or reported in person for record keeping.

All staff were briefed on the home testing procedure on 20.01.21.

Test kits will be distributed from the school office and staff must report to the coordinator(s) to collect a kit(s). Staff will need to sign for their kits alongside the batch number.

From 8<sup>th</sup> March 2021

- 6 Class bubbles in school- YR, Y1, Y2, Y3/4, Y4/5 and Y5/6
- KS1 dropped/collected bottom gate, KS2 top gate- times tbc
- Teacher PPA to resume as of autumn 20 timetable
- Weekly staff meetings via Zoom will be on Wednesday at 3.30, support staff to attend as required
- Staff wellbeing and workload will be monitored, staff can speak with a member of leadership team if they wish, either individually or concerns/comments raised at staff meetings
- Lunch system in school rearranged to support 2m social distancing
- Fire procedure-follow classroom policy and procedure and whole school evacuation procedure
- Playtime tbc in key stage groups and all staff will support supervision
- Lunchtime will be supported by LTSA's and follow procedure as of autumn 20

**and where deemed necessary when escorting and collecting pupils from entrances.**

- Adults should maintain 2 metre distance from each other, and from children. We know that this is not always possible, particularly when working with younger children, but all adults must do this. In particular, they should avoid close face to face contact and minimise time spent within 1 metre of anyone.
- From 4<sup>th</sup> January 2021 no book will be marked in classrooms.
- Where the above is not possible staff should remain 1-2m apart and for no longer than 15 mins before reverting back to the 2m rule.
- If it is necessary (safeguarding, injury to pupil) staff may get closer than 1m but only for a maximum of one minute unless a child's safety is put at risk.
- Staff will keep up to date with government guidance at <https://www.gov.uk/coronavirus> and also through staff briefings

		<ul style="list-style-type: none"><li>• PPE provided for cleaning staff, apron and gloves to be worn when cleaning</li><li>• Full cleaning of all areas used will take place daily, one toilet allocated (male/female) for each class. Staff to supervise usage and area to be sprayed and wiped each hour by a member of that class bubble</li><li>• Always wear disposable or washing-up gloves and aprons for cleaning. These should be double-bagged, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished.</li><li>• Using a disposable cloth, first clean hard surfaces with warm soapy water. Then disinfect these surfaces with the cleaning products you normally use. Pay particular attention to frequently touched areas and surfaces, such as bathrooms, grab-rails in corridors and stairwells and door handles.</li><li>• If an area has been heavily contaminated, such as with visible bodily fluids, from a person with coronavirus (COVID-19), always use full PPE. The area will then be deep cleaned and advice and support sought from the LA and cleaning services</li></ul>
