

Computing Action Plan 2020/21

Key Objective: to raise Standards of Achievement and Pupil Progress in Computing; support and enrich teaching and learning; develop and extend cross-curricular opportunities through the use of Computing across all subject areas; to develop a school Twitter account

Task	Success Criteria	Lead Person	Dates	Cost and source	Monitoring	Evaluation
1). Purchase new equipment to enhance the current computing curriculum.	<p>Purchase equipment that will work alongside the current equipment in school. More movement and programming resources for KS2. Updating the Ipad collection to enable newer apps. Label new school resources with asset stickers and add to spreadsheet. Discussions with other schools to see what works well.</p>	LC/ CW	Autumn term	ICT budget	LC/CW and head teacher	
<p>2). Maintain/update twitter.</p> <p>Continue use of Twitter as an online learning platform should we be required to.</p>	<p>Upload photos, messages and links to the website via social media. Have children who are IT champions to update class pages with information for parents/share achievements.</p>	LC/ CW	Ongoing	-	LC/CW and Head teacher	

	<p>Twitter to be only accessible on staff IPADs and under adult supervision.</p> <p>To revise the twitter policy regarding parental communication due to home learning changes.</p>					
3). Begin new Computing curriculum and tracking.	<p>Portfolio will contain evidence of coverage of Computing Curriculum throughout school - photos, work, planning, resources etc....Will evidence standards of Computing in our school.</p> <p>Will be updated regularly throughout the academic year. All staff to be tracking their children for computing</p> <ul style="list-style-type: none"> - look at effective ways to do this - moderating in staff meeting time <p>To get 25% children at GD across school</p>	LC / CW	Autumn onwards.	-	LC /CW Head teacher.	
4). Effective delivery of the new computing curriculum	<p>Ensure staff are confident and understand the new progressive computing curriculum.</p> <p>Drop ins to computing sessions to develop</p>	LC/CW	Autumn	-	LC/CW	

	understanding of whole school teaching. Moderating to ensure standards of computing and understanding of WT/WA/GD
