

## Unacceptable Behaviour

- ✚ Yellow cards are given for poor behaviour in the classroom or the playground. These last for 1 day, children need 3 smiley faces for playtime and 4 for classroom to come off a yellow card.
- ✚ If a child does not get smiley faces on yellow then they move on to a Red card. These last for 3 days, a sad face means a 1 day exclusion (with 24 hour notice to parents/guardians). When a child returns from an exclusion they are placed on a yellow card. On some occasions for extreme behaviour a Red card or an exclusion may be given straight away.

- ✚ All staff at Slaithwaite CE (c) School try very hard to promote positive behaviour at all times. We all enjoy rewarding our pupils and seek to promote partnership with home.

## Promoting Positive Behaviour

## Handbook for Parents and Staff

The children have devised a new house behavior system. There are four teams, Unicorns, Cyclops, Phoenix and Dragons.

All children from Reception to Year 6 are put into teams and have the opportunity to receive Legendary Cards.

These are accumulated over the half term and the winning house receives a treat of their choice.

Legendary cards are given by every member of staff to children who are doing their best, follow school rules and demonstrate super behavior.

**Children will be encouraged to aim high!**
