

Spring Newsletter 2021

A massive "Well Done" to all children for coming back to school so well on the 8th of March. It has been great to see everyone and get our school back together again. Thank you to all parents/carers for your continued support throughout this challenging time.

Staffing in School

We have all our staff in school at present. Mrs Oversby will be retiring this July from her position as class teacher, she has taught at our school for over 33 years and we would like to wish her all the very best in her new ventures. We have advertised for a new teacher and will interview shortly.

Pupil Assessments and progress

All children have been assessed in reading, writing and maths on returning to school. We will share these with parents/carers via phone calls either just before or after the Easter break. End of year pupil reports will go out to parents towards the end of the summer term.

Dinner Money/School Milk

Please ensure dinner monies are paid in advance via parentpay. Dinners are priced at £2.30 a day = £11.50 a week.

All orders for school milk that were placed in December for Jan to March will automatically roll over to next term. Oak class; if your child turns 5 before 23rd July 2021 you will need to pay for milk via ParentPay and we will send you details via Tapestry.

Safety on/off the school site

Due to the present Covid restrictions safety has been a constant and daily area for us at school. We have reviewed drop off and collection weekly and welcome your views as parents. We have a Covid risk assessment which is on the school website, this can change weekly and sometimes daily!

Oak Class playground

Despite restrictions we have continued the work on the play area. It has really improved and we have a mud kitchen, new storage sheds, a new sand pit and play areas. When it is fully completed we aim to have a "grand" opening for all children to see/play in it! Many thanks to parents/governors for their support.

Dates for diaries
