

Curriculum on a Page - Autumn 1 Cherry Class

It's good to be me!

During this topic, the children will:

- Identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense.
- Identify the importance of respecting others even when they are different from themselves.
- Recognise a range of emotions and feelings- why we feel that way in certain situations.
- How important friendships are in helping us feel happy and secure and how people choose to make friends.
- The importance of families and friends.

Information about topic:

This half term the children will be settling back into school life and learning the routines of Cherry class.

Our topic, 'It's good to be me', is based around our feelings and emotions. We will concentrate on mental and physical health and wellbeing as well as friendships and relationships. We will explore different emotions and feelings and think about how we can regulate these.
