

• CONFIDENCE • COMMUNICATION • CREATIVITY •

Shining a light on our world!

A new weekly theatre workshop for children and young people based at The Watershed, Slaithwaite.

This is drama with a difference. Using performance skills to explore issues that are important to the environment, our community, and each other.

Our aim is to make exciting theatre with something to say.

Switch on Drama will **inspire** confidence, **encourage** communication, **stimulate** opinions and **teach** imaginative ways of presenting ideas.

We use creativity to give a voice to young people on the things they want to shine a light on.
