

Slaithwaite CE J & I School Risk assessment

Completed by Mrs E. Bradley and to be submitted for approval by Governors

Whilst all measures have been considered the Leadership Team at our school cannot guarantee 100% the safety and wellbeing of all our children and staff whilst attending and working on school premises

Update and circulated to staff 14th February 2022

It is imperative that all staff and pupils are vigilant and adhere to all aspects of this Risk assessment at all times.

Important note- pupils, staff and families returning from countries identified as quarantine areas are required to notify school on their return and self-isolate for the required time (message sent to all school community 23rd July 2021)

All staff should continue to self-test twice weekly and notify school if they receive a positive result, test kits will continue to be available in school.

Websites for up to date advice for staff and parents:

Public Health advice- Coronavirus(Covid-19)-NHS(www.nhs.uk)

<https://www.kirklees.gov.uk/beta/health-and-wellbeing/coronavirus.aspx>

Update 14th February 2022

- Use of face masks/coverings is no longer compulsory in school
- Lunches will be KS1 first and then KS2 to come in from playground
- Worship will be in the Hall
- Parent visits **to be kept to a minimum**, to be done by phone call/zoom where possible (**to be reviewed after 2 weeks**)
- **All drop offs/pick up will be at the bottom gate**, KS2 pupils will enter and exit through class Fire doors, KS1 to assemble and collect from playground.

Action to take in result of staff/children displaying symptoms:

- If symptomatic, child needs to be isolated in the cabin immediately. If they are a member of staff, they will be sent home immediately. If they need to go to the bathroom while waiting to be collected, they should use a separate bathroom if possible. The bathroom should be cleaned and disinfected using standard cleaning products before being used by anyone else. A child's temperature will be checked using the digital thermometers stored in classrooms.

Slaithwaite CE J & I School Risk assessment

Completed by Mrs E. Bradley and to be submitted for approval by Governors

Whilst all measures have been considered the Leadership Team at our school cannot guarantee 100% the safety and wellbeing of all our children and staff whilst attending and working on school premises

Update and circulated to staff 14th February 2022

It is imperative that all staff and pupils are vigilant and adhere to all aspects of this Risk assessment at all times.

Important note- pupils, staff and families returning from countries identified as quarantine areas are required to notify school on their return and self-isolate for the required time (message sent to all school community 23rd July 2021)

- Parents of child contacted and asked to come and collect them and the cabin to be locked until sanitised and cleaned
Parents or carers should collect their child promptly, ideally within 30 minutes.
- When a child, young person or staff member develops symptoms compatible with coronavirus (COVID-19), they should be sent home and advised to book a PCR test at the earliest opportunity and self-isolate until a negative PCR result is obtained. At this point, they can return to school. PCR tests can be booked by visiting [NHS.UK](https://www.nhs.uk) or phone NHS 119.
- If the child, young person or staff member tests positive on the PCR/LF test then they must self - isolate for 5 days and follow NHS advice. As of 17.01.22, those who receive negative LFD results on day 4 and day 5 of their self-isolation period - with tests taken 24 hours apart - will no longer have to self-isolate for the full 10 days. The first test must be taken no earlier than day of the self-isolation period.
- Those who leave self-isolation on or after day 5 are strongly advised to limit close contact with other people in crowded or poorly ventilated spaces, work from home if possible and minimise contact with anyone who is at higher risk of severe illness if infected with COVID- 19.
- There is no change to the guidance for unvaccinated contacts of positive COVID-19 cases, who are still required to self-isolate for 10 full days after their date of exposure to the virus.
- Fellow household members of the positive case do not have to isolate for 5 days. However, it is highly recommended to keep everyone in the school community safe that all members of the household book a PCR test and isolate until the result is obtained. If negative, they can attend school/work but if positive they must isolate and also follow NHS advice.

Slaithwaite CE J & I School Risk assessment

Completed by Mrs E. Bradley and to be submitted for approval by Governors

Whilst all measures have been considered the Leadership Team at our school cannot guarantee 100% the safety and wellbeing of all our children and staff whilst attending and working on school premises

Update and circulated to staff 14th February 2022

It is imperative that all staff and pupils are vigilant and adhere to all aspects of this Risk assessment at all times.

Important note- pupils, staff and families returning from countries identified as quarantine areas are required to notify school on their return and self-isolate for the required time (message sent to all school community 23rd July 2021)

- In the result of a positive case in school, no class/bubble closures will take place, unless school are notified by NHS for a specific reason. School does not need to carry out any contact tracing. NHS Test and Trace will now do this.
- In an emergency, call 999 if they are seriously ill or injured or their life is at risk. Do not visit the GP, pharmacy, urgent care center or a hospital.

Action to take in result of staff/children testing positive on a Lateral Flow Test:

- Staff member or child not to attend school/work but inform the office/Headteacher at the earliest opportunity using usual communication methods.
- If the child, young person or staff member tests positive on the PCR/LF test then they must self - isolate for 5 days and follow NHS advice.
- As of 17.01.22, those who receive negative LFD results on day 4 and day 5 of their self-isolation period - with tests taken 24 hours apart - will no longer have to self-isolate for the full 7 days. The first test must be taken no earlier than day 4 of the self-isolation period.
- If a member of staff has helped someone with symptoms, they do not need to go home unless they develop symptoms themselves. They should wash their hands thoroughly for 20 seconds after any contact with someone who is unwell. Cleaning the affected area with normal household disinfectant after someone with symptoms has left will reduce the risk of passing the infection on to other people.

Slaithwaite CE J & I School Risk assessment

Completed by Mrs E. Bradley and to be submitted for approval by Governors

Whilst all measures have been considered the Leadership Team at our school cannot guarantee 100% the safety and wellbeing of all our children and staff whilst attending and working on school premises

Update and circulated to staff 14th February 2022

It is imperative that all staff and pupils are vigilant and adhere to all aspects of this Risk assessment at all times.

Important note- pupils, staff and families returning from countries identified as quarantine areas are required to notify school on their return and self-isolate for the required time (message sent to all school community 23rd July 2021)

- Those who leave self-isolation on or after day 7 are strongly advised to limit close contact with other people in crowded or poorly ventilated spaces, work from home and minimise contact with anyone who is at higher risk of severe illness if infected with COVID- 19.
- There is no change to the guidance for unvaccinated contacts of positive COVID-19 cases, who are still required to self-isolate for 10 full days after their date of exposure to the virus.
- Fellow household members of the positive case do not have to isolate for 5 days. However, it is highly recommended to keep everyone in the school community safe that all members of the household book a PCR/LF test and isolate until the result is obtained. If negative, they can attend school/work but if positive they must isolate and also follow NHS advice.

School closure due to Local Lockdown or outbreak in school:

- In the event of the school having to close because of an outbreak or individuals testing positive for COVID - 19, the online learning platforms Class Dojo/Tapestry will be used to deliver home school learning. This will involve daily work set for the amount of time the children would be in school and cover our full Curriculum.
- Children's progress will be assessed, monitored and fed back to parents via the online learning platforms.
- Where needed and deemed necessary and appropriate, children will access videos of lessons to teach them core skills.
- Due to the record number of cases, the unfortunate situation may arise where all classes cannot be staffed safely due to the number of staff isolating, resulting in the closure of face-to-face learning for some classes/individuals and

Slaithwaite CE J & I School Risk assessment

Whilst all measures have been considered the Leadership Team at our school cannot guarantee 100% the safety and wellbeing of all our children and staff whilst attending and working on school premises

Update and circulated to staff 14th February 2022

It is imperative that all staff and pupils are vigilant and adhere to all aspects of this Risk assessment at all times.

Important note- pupils, staff and families returning from countries identified as quarantine areas are required to notify school on their return and self-isolate for the required time (message sent to all school community 23rd July 2021)

the move towards providing remote learning/blended learning. This will only be put into place once all other opportunities have been explored e.g. supply staff, support staff covering classes, merging of classes etc.

- If the above does occur and learning moves to remote learning on a short-term period until staffing levels rise again, priority will be given to the children of critical learners and the most vulnerable children. This is in line with the government advice online at <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>.

School Attendance:

School attendance is mandatory for all pupils of compulsory school age and it is a priority to ensure that as many children as possible regularly attend school. Where a child is required to self-isolate or quarantine because of COVID-19 in accordance with relevant legislation or guidance published by UKHSA or the DHSC, they should be recorded as code X (not attending in circumstances related to coronavirus). Where they are unable to attend because they have a confirmed case of COVID-19 they should be recorded as code I (illness). For pupils abroad who are facing challenges to return, code X is unlikely to apply. In some specific cases, code Y (unable to attend due to exceptional circumstances) will apply. Where pupils who are self-isolating are within our definition of vulnerable, we will put systems in place to keep in contact with them, particularly if they have a social worker.

Whilst all measures have been considered the Leadership Team at our school cannot guarantee 100% the safety and wellbeing of all our children and staff whilst attending and working on school premises

Update and circulated to staff 14th February 2022

It is imperative that all staff and pupils are vigilant and adhere to all aspects of this Risk assessment at all times.

Important note- pupils, staff and families returning from countries identified as quarantine areas are required to notify school on their return and self-isolate for the required time (message sent to all school community 23rd July 2021)

		<ul style="list-style-type: none">• Staff need to take responsibility for their own safety at all times in school and follow this risk assessment and guidance from the government website• Parents will be informed of arrangement/changes by letter from the Head• Staff will continue to plan for distance learning for those pupils not in school or are unable to attend school for health reasons. This will be reviewed daily by the leadership team and according to pupil numbers attending school
