

Summer 1 Newsletter 2022

Welcome back to a very busy summer term. We are approaching the end of the school year but still have lots to fit in and do!! The year is ending in a much more positive way as things are really starting to be much more "normal" in school.

Staffing in School

Mrs Bradley will be retiring from our school in July, we will announce her replacement asap.

All other staffing in school remains the same.

We will inform of classes in September after half term, we have 23 new children registered to start in Oak class in September.

Pupil Assessments/Reports

All children were assessed before Easter in reading, writing and maths. Y6 SAT's will take place the week beginning 9th May, Y2 tests will be in weeks 3 and 4 of this half term. Y1 phonic testing and Y4 multiplication tests will be week beginning 7th June. Assessments will take place at the end of June for pupils in Y1,3,4 and 5. End of year reports will be sent out on Monday 11th July 2022.

Safeguarding

May we remind you that the schools safeguarding lead is Mrs E Bradley, all concerns should be brought to her. Mr Hudson and Mrs Cherrington are the Deputy leads for Safeguarding and all other staff have received training.

Health and Safety

As the weather improves please could you send your child with a sun hat and apply sun cream before school along with allergy medication (if required). If your child is absent from school could you notify the office/class teacher before 9.30 a.m.

School communications

Please see the school website and class pages for up to date communications. Please let us know any changes to e-mails/addresses/phone numbers etc so we can keep our systems up to date. **Please e-mail teachers if you have any concerns/queries about your child or anything in school.**

School Grounds/play areas

Many thanks to all volunteers who have attended our Saturday morning tidy sessions. We will continue with these on the first Saturday of each month until the end of term, starting at 10.00 a.m. All help is welcome for any amount of time. Our school grounds are looking really good, along with the allotment beds. **Next one-7th May.**
